https://www.itaskx.com/en/pricing.aspx

iTaskX 3 is known as the easiest to use Microsoft Project compatible project management solution for macOS. The whole ethos around iTaskX 3 is producing incredibly fast, sophisticated tools that are focused to provide the **best available workflow for project managers, architects, business analysts and project contributors from any industry**.

System Requirements
iTaskX 3 is compatible with Macs running OS X 10.10 and later (Yosemite, El Capitan and macOS Sierra compatible), and translated into English, German, Spanish, French, Japanese, Russian and Simplified Chinese.

Free Trial Versions Available
For testing iTaskX Techno-Grafik offers the possibility to order a trial license which can be used for thirty days free of charge.
Trial License: https://www.itaskx.com/en/order_trial.aspx
